A NIGHT WITH THE STARS

*Cinema in Chris Saunders Park is an event like no other!
A setting, romantic as it is magical, equal to the best
anywhere in the world and with a program to match.*

Dutiful lines of people carrying baskets, fold up chairs and blankets moved through the ticket gate as the sun set over the park. Smiles came easily and a low buzz of anticipation permeated the park.

Pretty Woman was a great choice for the Valentines day event. This timeless classic attracted people of all ages and families across several generations. If your heart desires light entertainment with a tinge of excitement, Big Nite Out Productions delivers all night long. The Durban based company manages the outdoor events for The Association. Rowan Clelland of Big Events has seen the best in the world and brings this fast growing and funky entertainment to your doorstep. Outdoor cinema is a regular monthly event at Chris Saunders.

You can expect the same meticulous planning and delivery from them at the Gin and Tonic festival at Chris Saunders in June. Don't miss the uMhlanga Food and Music Festival, now in its 5th year. Where better to hold the event than at Chris Saunders?

Reference to "careful consideration" describes their mandate - no raucous parties, consider the residents etc. This is no casual request as it describes the true meaning of bringing life and culture purposefully to an area (The Ridge), made up of business and residential living. Parties are allowed, just be mindful.

I THOUGHT THE THRILL OF GOING TO THE MOVIES WAS LONG GONE.
BUT THAT OLD FEELING CAME BACK - WE ALL HAD IT.
